New Catholic Apologetics Class Beginning!

What is Apologetics? It is NOT about apologizing for something. Rather, it is a branch of Catholic theology that explains Catholicism against objections. Have you ever had a friend or acquaintance ask:

Why do Catholics do -----?

Do Catholics really believe -----?

Is it true that Catholics -----?

This class will cover many of the areas routinely questioned about our faith, and provide you the information to confidently and intelligently answer these many challenges. Classes are one hour in length, and will begin on Sunday, February 6 at 11:30 am. We will meet in the center classroom in the school. Contact: Deacon Rich 770.910.3339
